

Ms. Yoder:

I am contacting you concerning the Due Process Request we received for the student _____ . The student attends Downingtown Area High School.

IU 24 and school districts within have agreed to participate in a Pilot Project to provide a facilitator at the resolution meeting.

ODR has extended the Pilot Project for the new fiscal year of 2008-2009.

I would like to know when the resolution meeting will be held and if both parties agree to use a facilitator at the meeting.

If you could also provide the time, date and location that would be helpful, I hope that a facilitator would be utilized.

I have also attached the information concerning the use of the facilitator at the resolution meeting.

If you have any questions, please contact me.

Thank you in advance for response.
