

General Education Teacher Participation in the IEP Meeting

Student:	Teacher:	IEP Meeting Date:
----------	----------	-------------------

Responsibility of the General Education Teacher (as a Member of the IEP Team)	Notes (Ideas, Suggestions, Questions for IEP Meeting)
1. Share information regarding the general curriculum as it pertains to this student.	
2. Share information regarding the general education classroom environment, as it relates to the student's progress in the general curriculum.	
3. Assist in developing effective classroom management techniques. Include positive behavioral interventions and strategies if needed.	
4. Assist in identifying classroom supports, teacher supports and assistive devices needed for this student to be successful. (Think beyond existing services.)	
5. Share information about how this student should participate in state and district-wide assessments.
